

# COIN CASTLE KING

**DIFFICULTY:** Moderate

## MATERIALS:

1 piece each of white, yellow, sand, and purple construction paper.

Scissors

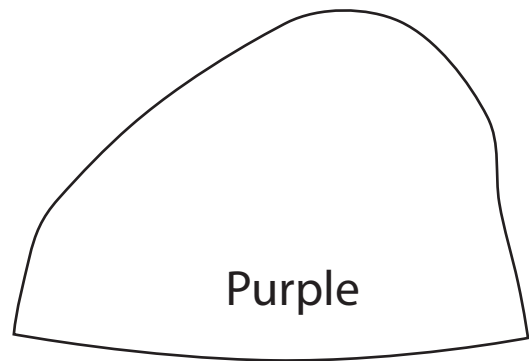

Glue or double sided tape

1 Piece of yarn

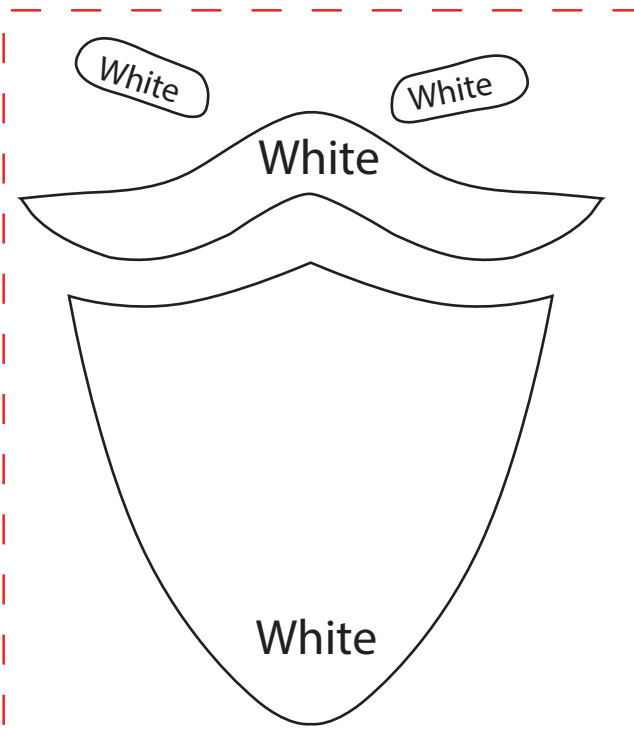

Optional: Cotton balls, glitter glue, gold foil

## INSTRUCTIONS:

1. Cut out pattern along dotted lines.
2. Use **glue stick** to *lightly* attach patterns to colored paper. For sand (face) sheet, fold paper in half and align the pattern to folded side.
3. Cut out shapes along solid line. Do NOT cut folded line on sand (face) sheet.
4. Gently remove patterns. If removal is difficult, attach the colored paper pattern side down.
5. Fold sand (face) piece so pattern is inside. Glue shut.
6. Glue pieces together starting with the purple to the sand (face). (See "A"). Assemble crown (See "B").
7. Glue crown to head over hat. Punch hole in center of crown and tie string through hole.
8. Decorate! Use gold film to dress up crown. Give his crown glittery jewels. Glue cotton to beard, moustache and eyebrows.
